

Outstanding value and performance

A powerful, portable notebook that's all business

Revolutionary performance, exceptional mobility and outstanding features for business. That describes the slim, light ThinkPad® E460 (14") and E560 (15.6") notebooks. Powered by the latest generation Intel® Skylake processor, they feature AMD Radeon™ discrete graphics, extensive memory and storage options, enhanced connectivity, and even an optional Intel® RealSense™ 3D camera (only on E560 select models) Ready for business at a surprisingly affordable price!

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD® E460 / E560

Revolutionary performance

The latest Intel® Skylake processors combine with new generation AMD Radeon™ discrete graphics for outstanding power and efficiency.

Exceptional mobility

Choose a 14" or 15.6" display in a slim, light, easy to carry design. Graphite black soft touch paint adds a professional look.

Uncompromising features

Legendary ThinkPad® keyboard, Numeric keypad (only on E560), larger touchpad for Windows 10 gestures, enhanced VoIP, optional Intel® RealSense™ 3D camera (only on E560) and more.

Outstanding value

Great performance, premium ThinkPad® quality, surprisingly affordable. It all adds up to an outstanding value for businesses.

THE LENOVO™ THINKPAD® E460 / E560 IS BEST SUITED FOR

1 Remote workers who need the convenience of a thin, light notebook with real performance.

2 Businesses seeking powerful notebooks with the latest features at an affordable price.

3 Educators and students who need notebooks for enhanced interactivity.

WHAT'S IN A THINKPAD®

- ① The gold standard in reliability since 1992
- ② Premium materials and layers of reinforcement
- ③ Award winning ergonomic keyboard
- ④ Form factors for all needs
- ⑤ Purposeful design details
