Lower your cost per page and reduce the amount of time you spend purchasing and installing cartridges. Extra-large cartridges feature a higher ink capacity for bigger savings. And when you buy a twin or combo pack—containing two or more cartridges—you save money on each cartridge and increase the quantity you can print. Plus, simplify ordering and save on shipping—twin and combo packs feature a single part number. HP makes it easy to choose the right cartridge to match your printing habits.

Proven superior prints compared with refills

In February 2011, Buyers Laboratory Inc. completed a study for HP designed to test the reliability performance of Original HP ink cartridges compared to refilled cartridges from leading refill service providers. The results were stunning. Out of 540 ink cartridges tested on 18 printers, Original HP ink cartridges proved to be 100% reliable. Not a single Original HP ink cartridge failed.³
