MasterMouse MM520

Great for Performance, Perfect for Claw Grip

The MasterMouse MM520 is the successor to the Spawn gaming mouse, improved further for claw grip gamers.

A reinforced rubber side grip and a ring finger rest ensure long-lasting comfort during the most heated FPS competitions. And the rest of the hardware is custom-tailored for the high-speed actions of a first-person shooter or a real-time strategy game, with an Pixart 3360 sensor and 12000 DPI, PBT plastic application, and Omron switches to ensure lag-free, precision input during the longest skirmishes. Add RGB illumination in Three Zones and have the stunning looks match the performance.

With performance, looks and comfort, this is a deadly tool in your gaming arsenal.

Features
